

# Progressive Agriculture Foundation® Progressive Agriculture Safety Days®

Hello everyone. It is once again time for our annual Progressive Ag Safety Day.

The event will be held Wednesday, April 25<sup>th</sup>, 2018 at the Steele Ambulance Building. The topics this year are: Fire Safety, PTO Safety, Handwashing, Bullying, Stranger Danger, Animal Safety, and Seatbelt Safety.

We will again be doing the split day with half of the students coming in the morning and the other half coming in the afternoon. That means those home schooled, Tappen, and Steele 4<sup>th</sup> grade students will be scheduled in the morning and Steele 5<sup>th</sup> and 6<sup>th</sup> grade students will be in the afternoon. I will send a reminder closer to the event with the schedule and times.

We will be serving lunch to both groups of BBQ beef on bun, chips, cookies, and milk. Please let the students know what we will be serving for lunch so they may plan accordingly for any allergies.

Please have the parents sign the Release and Consent forms and return them. I will pick them up on Monday, March 26<sup>th</sup>. Please be sure they fill out their shirt size. I need the teachers to fill out their name and shirt size if they too would like a shirt.

**THE STUDENTS WILL NOT BE ABLE TO ATTEND IF THEY DO NOT RETURN A SIGNED CONSENT FORM.**

If you have any questions you may call Julie at 701-273-4120 or 701-320-9864.  
E-mail [jdekrey@bektel.com](mailto:jdekrey@bektel.com).

Thank you for helping to make this a great learning opportunity for our youth.

Julie DeKrey, coordinator

*Progressive by Nature. Safety by Design.*
