Competition Weeks- April 26- May 17, 2020

State tournament June 13, 14<sup>th</sup>

Fundraiser- TBD

Registration-

If you have previously been on the Team- you should have already received the registration information. If you did not receive an email please contact Chris and he can resend the information.

If you are new- go to [claytargetgo.com](http://claytargetgo.com) click to log into the “athlete management system or AMS”. Next you will create a profile, the team ID “**kiy205**” and follow the instructions to finish setting up the account.

**TOTAL COST- \$35** (This fee must be paid online for the State League Fee)

All shells, clays, safety gear and if needed shotguns will be provided to all students at NO cost.

Practice will be on Sundays. Students will have a scheduled time to come and shoot each week. During practice only weeks, students will shoot at least 75 rounds, during competition weeks they will shoot 25 practice rounds and 50 competition rounds. The scores from practice weeks will help us group students onto squads by their average scores for scheduling.

The Kidder County Sportsman’s Association will be providing shells and clays for all students. If a student does not have their own shotgun the association can provide one.

Please contact Head Coach **Chris Brunner at 701-412-7990** with any questions or concerns.

**Eligibility-** Students must be in grades 6-12, have a firearms safety certificate, and meet all school curricular activity eligibility requirements. If you are interested but do not have a firearms safety certificate, please contact Chris ASAP.
