

Kindergarten Connection

Your student is invited to join us for additional time to connect with both Pre-K groups!

April 29, 2019 - May 17, 2019

All students are invited to attend school Monday through Friday. The students would attend their regularly scheduled days as well as **optional** extra days.

We will spend this time building social skills, participating in end of the year school activities, and getting acquainted with classmates we might not know.

We ask that you would RSVP if you are interested in sending your child for the extra time. Please respond by March 20, 2019.

Name: _____ Date: _____

- Yes, I am interested and plan on sending my child
- No, I am not interested

Signature: _____
